Grand Patriotic Rally At Chinook

Hon. Duncan Marshall Gave Stirring Address.

The patriotic rally held at Chinook last Friday evening drew a large and enthusiastic crowd. Unfortunately, the executive meeting which was to have been held at 5 o'clock, had to be postponed till after the general meeting, owing to the fact that the local did not arrive in Chinook till about 7:15 p.m., and the delegates from the towns east of Chinook were unable to be present till that time.

Mr. Jos. Woodman, president of the Youngtown Branch of the Canadian Patriotic Fund acted as chairman, and opened the meeting with a short address. He outlined the splendid work accomplished in Youngtown and district, and by other branches in the past, and felt sure that the people of Alberta would respond nobly to the fund during the coming year.

Mr. J. A. McColl, M.L.A., was the next speaker. He regretted the fact that Mr. Tweedie, president of the Southern Alberta Branch and Mr. Carson, organizer, could not be present at the meeting. Telegrams from these gentlemen in which they expressed regret at not being able to be present were read. As he was to be followed by other speakers it was not his intention, he said, to occupy the platform for any great length of time, but he wished to thank all the willing helpers who have worked so earnestly on behalf of the fund. At the close of the general meeting, he would deal with the work of organizing for the ensuing financial year.

The Rev. S. D. Webster of Oyen the next speaker was rather surprised to find himself on the platform. He came to listen, he said, not to talk. He felt it was a privilege, however, to be able to speak on a subject he had very much at heart. He pointed out to his audience that it was not only the right thing, but the solemn duty of those who did not go to fight in their country's cause, to subscribe to the fund. When he thought of the tremendous sacrifices made by the men now on active service, it was difficult to understand any attitude of unwillingness to give to the fund. He related some of his experiences in the Sedgewick district where he was actively connected with the work of the patriotic fund, and brought his address to a close with a stirring appeal on behalf of the fund.

The next speaker to occupy the platform was the Rev. Mr. Eason of Chinook. This gentleman was also somewhat surprised at finding himself on the platform. In view of the fact that his audience was still to hear an address from the Hon. Duncan Marshall, he would not detain them long. He heartily endorsed what had been said by the speakers who had preceded him, and felt sure that the people of this district would respond splendidly and donate generously to the fund. He concluded his remarks by a humorous anecdote about a man who asked \$400 for a horse but finally compromised by accepting \$25 for it.

Mr. W. D. Bentley of Oyen, was the next speaker. In view (Continued on page 5)

Pay Your Bills Week

"We have a good many 'Weeks' nowadays—Baby Week, 'Old-Home Week,' 'Clean-Up Week'—and the danger is that we shall have too many. But the town of Rock Hill, South Carolina, through its Chamber of Commerce, has added a week that is in every sense an excellent addition. It is a week when everybody is urged to pay his bills," says Collier's Weekly.

"To those who have a financial conscience and the proper moral responsibility for debts incurred this may seem at a glance, unnecessary; but all tradesmen and merchants, to say nothing of professional men, know how widely needed is such an urging of public conscience.

CHEVROLET WON TWICE

In the automobile races at Snyder, Oklahoma, Tuesday and Wednesday a Chevrolet 400 car, sold by Carr & Pritchard to Joseph Roark, of Snyder, won first prize both days—an indication that the Chevrolet has both speed and endurance.

The course was 10½ miles in length, starting from a dead stop in Snyder, making two square turns in the town and running five miles north, then turning in the road and running back over the course. Twelve bridges and culverts were crossed in the course. The first day the Chevrolet finished a mile and a half a head of the only other car that stayed in the race, finishing in 13 minutes and 12 seconds. The second day the course was covered in 12 minutes and 42 seconds, cars of three other makes being entered.—Frederick Leeder, Oklahoma.

Patriotic Rally

(Continued from page one)

of the fact that the hour was getting late and the Hon. Duncan Marshall had yet to be heard from, he too, was diffident about occupying the platform for more than a few minutes. Like the previous speakers, he also had been taken unawares in being called upon to make a speech. He thought that it was but a small thing that those who stayed at home were asked to do, and was sure that the people of his district (Oyen) would make the other branches "go some" to beat them. (Applause) He was proud of the fact that the donations from Alberta had exceeded the amount asked of her in the past and expressed the hope, that the constituency of Aendia would hold the record for this province at the end of the ensuing year. (Applause)

The Hon. Duncan Marshall was then introduced to the audience. In a stirring address he outlined the events preceding the commencement of hostilities, Belgium's plucky resistance to Germany's invasion, and finally Britain's entry into the war. He described the scene in the British House of Parliament when the premier announced that an ultimatum had been sent to Germany demanding that she withdraw her troops from Belgium soil, and giving her till midnight to reply. When midnight came, a huge placard was displayed in Trafalgar Square announcing the fact that Great Britain and Germany were at war. The crowd which occupied that historic square and blocked the streets which led to it, as far as the eye could see, cheered to the echo. The cheering continued without cessation till 8 o'clock in the morning, when the crowd moved toward Scotland Yard to enlist for active service, and for four days the thoroughfare on which this famous building stands, was densely crowded with thousands upon thousands who were not only willing but eager to do their part for the Empire.

The speaker liked the voluntary system of enlistment. He liked the voluntary system of contributing to the Patriotic Fund. The men who enlisted for active service were all making a great sacrifice, and the voluntary system of the Patriotic Fund, gave those at home a opportunity of showing their patriotism, not because they had to, but because they were willing.

He deplored the excuses advanced by some men as reasons for not giving to the fund, and had no use for the men who would not contribute because they thought that some of the soldiers' wives were having a good time on the money they were getting from the fund. Why should not the wives of them be made happy? (cheers and applause). Some had objections to giving to the fund because their was a paid secretary in Calgary. This was a patry objection, but the government of the province had appropriated a fund to cover the working expenses of the Patriotic Fund in Alberta, so every cent contributed went to the soldiers' wives and children (applause). With this objection removed he hoped that those who had not contributed to the fund on this account would come forward, and give not only for this year but for the two years they had missed. (loud applause)

Landline Notes

(Contributed)

There is quite a lot of grain coming in now, and the grade is much better than anyone expected. Several farmers are getting No. 1. Mr. Caskey got thirty-seven bushels to the acre and got number one northern for it.

Mr. Percy Sanders paid a visit to his farm last week. Mr. Sanders is in the employ of the C. N. R. at Saskatoon.

Mr. Murphy, Superintendent of the Canadian Northern Railway and Mr. Shinnick, of the Railroad Commission, met the Board of Trade last week to discuss the matter of appointing an agent at this point. Owing to the shortage of operators, Mr. Murphy said, it was almost impossible to put one in at the present time, although he realized the fact that we ought to have one. Both gentlemen expressed great astonishment at way in which Landline had progressed, having eight fair sized business places, where there was not a building six months ago. Mr. Shinnick said it was regrettable that the Goose Lake line, the matter of an agent is to come up again in a short time.

A dinner was served at Landline on Thursday last by the ladies of the K. L. K. Red Cross Society the full proceeds of which went to the society. Mrs. Orvis very kindly lent the use of her house and was ably assisted by several ladies from the country. Great generosity was displayed by the ladies who all brought something good in the form of meat, fowl, vegetables, pies etc. There being no expenses at all attached to the dinner, the Secretary received the full collection which amounted to \$44.00. The next meeting will be held on Thursday, October 26th., full attendance is requested as important business is to be discussed.

One Of Fairacres' Pioneers Passes Away

Mrs. M. E. Nelson Dies At The Age of Sixty-seven

It is with regret that we announce the death of Mrs. M. E. Nelson, which occurred at her home in Fairacres last Thursday morning. Mrs. Nelson, who was sixty-seven years of age, had been in failing health for the past eight weeks, and was confined to her bed till death relieved her from her suffering. Mrs. Nelson came to this district about six years ago, from Elgin, Nebraska, and was the pioneer who gave Fairacres its name.

The funeral took place last Saturday, when a service was held in the Fairacres School at ten o'clock in the morning by the Rev. S. D. Webster who also conducted the burial service. The remains were laid to rest in the Oyen cemetery.

The deceased leaves one daughter, Mrs. E. D. Thygeson, of Oyen, and two sons, Harry and Ward Earing to mourn her loss. Mr. Ward Earing, whose home is in Elgin, Nebraska, arrived here last Thursday, and intended to take his mother back to her old home.

Dr. A. Ashdown Marshall, Sight Specialist of Calgary will make his next regular visit to Oyen on Saturday, November 4th. This will be his last trip this fall. A One Man Tractor

The most powerful 9 Plow Tractor in the world. The Bates Steel Mule is the most powerful Tractor in the world of the three plow class.

With a draw bar pull on its plowing speed of over 3,200 lbs, it gives a reserve power to draw on which will pull three plows through almost any kind of soil, at a good speed.

When this power is compared to the 1800 lbs to 2500 lbs., that three plow tractors usually have at their plowing speed, it can readily be appreciated by comparison that the Bates Steel Mule not only is the most powerful three plow tractor in the world, but is so with a large margin to spare. And further more because of it transmitting its power through the ground to its draw bar by means of a "Crawler" instead of a wheel. This big power is available in the Spring when the soil is molten, and where under the same conditions the pull of a wheel Tractor might drop to less than 500 pounds.

The "Crawler," together with the Compound Lever Hitch, makes the Bates Steel Mule just as powerful a puller in the Spring when the ground is molten and soft, as in the Fall when the footing is dry and hard.

It does everything that horses do, and does it better, quicker and cheaper. It burns kerosene or gasoline. For full particulars write or see—
